

TRAFFIC TROUBLES—Traffic was moving slowly in Lemon Grove last Friday noon when a truck-trailer rig owned by Mayfair Market lost its trailer at Broadway and Olive, blocking west-bound lanes for about 30 minutes.

Compounding the problems were a ruptured fuel line, which dripped fuel on the road, and the San Diego and Arizona Eastern train passing through town, which stopped traffic altogether for a short time.

In photo at left, firemen and California Patrol officers check the fuel line leak before washing down the pavement. At right, heavy duty towing rig arrives on scene to cart off the trailer. No injuries were reported.

Plan for a Heart Attack

Elsewhere in this issue is an article regarding blood pressure testing.

This free service will be offered at eleven locations in the County June 2-3. We urge all readers to take the test. It may reveal an incipient heart attack.

Meanwhile, contact your County Heart Association, the sponsors of the testing program, and ask for the little 4-page pamphlet on heart attacks. It uses 11 lines to describe how such an attack may feel. 16 lines tell what action should be taken. That's easy reading for so vital a matter, isn't it?

With the pamphlet is a stick-on label for your phone. It has space to list the name and phone number of your physician, hospital, neighbor, ambulance, the Fire and Police Departments. It will be the most important piece of paper in your home—if a heart tragedy occurs.

The pamphlet will tell you what prompt action is imperative at such a time. It warns: "Don't wait. Minutes count. Act immediately." Then it guides you through a few simple steps.

Most families give scant attention to heart attack activities—until one occurs.

Here is a case of which we have personal knowledge. A couple approaching senior-citizenship faced a crisis late one night when the husband suffered a heart attack. Over the protests of the stricken man, she called the family physician. There was a wait while his answering service contacted the doctor. While she was waiting she thought she ought to call an ambulance. She had lost precious minutes looking up the doctor's number because she was understandably upset. She became completely frustrated with the idea of trying to find the one that was nearest. She was also fearful that any call she made might prevent the doctor's call from coming through. She didn't even think of the Fire Department which would have handled critical details. But, then, who can think straight in a period of grave crisis?

The Heart Association pamphlet and sticker may not take the fright out of a heart attack—but confusion is by-passed.

A quick phone call today and a few minutes to read the pamphlet and to fill in the sticker which will be attached to your phone may become one of the most important time investments you ever make.

San Diego County Heart Association is located at 3640 Fifth Ave., San Diego, and the number to call is 291-7454.

Work Resumes On Local Park, Landscape Projects

Action toward getting a late and are expected to include county service area for Lemon Grove has resumed, and the goals of a park and Broadway landscaping are in sight again.

The county service area, if approved, would finance a proposed six-acre park at Mt. Vernon and Massachusetts, and, under the latest proposal, would make possible landscaping of Broadway from Kempf to Highway 94 and along the railroad right of way on Imperial Ave.

In an effort to hurry along the proposed landscaping project so it would coincide with roadwork scheduled for later this year, it has been proposed that the landscape maintenance project be attached to the county service area requests made earlier for the park.

Under terms of the recently enacted SB-90, a county service area would have to be approved by voters.

The plan now is to seek an extension of the service area to include the landscape project, get approval from the board of supervisors for both projects, and place the measure before the voters.

With voter approval, the projects could get immediately underway.

Plans for the landscaping project are now being formulated.

L.G. Firemen Ask \$30,000 In Raises

STRATEGY MAPPED—Lee Green, left, chairman of the Spring Valley Beautiful Cleanup Campaign, explains strategy for the campaign to Boy Scouts Joe and Mickey Young, Miss Spring Valley Debbie Holland, and Sani-Tainer operator Bob Sutton. The scouts are members of Troop 373, sponsored by La Presa Elementary PTA. Miss Spring Valley and representatives of the chamber of commerce will man

collection centers with disposal bins provided by Thomas and San and Sani-Tainer, while 11 scout troops comb the area, street by street, collecting trash. Top troop will earn a trophy. Green said he hopes Spring Valley families take the opportunity to cleanup their homes and yards and get rid of unwanted trash and junk.

Spring Valley Beautiful Kickoff Luncheon Held

A kick-off luncheon was held last week by the Spring Valley Chamber of Commerce in preparation for the 1973 Spring Valley Beautiful Cleanup Campaign.

The campaign, which will include voluntary efforts by local boy scout troops and local trash disposal firms, will begin May 5 at 10 a.m. with ceremonies at the new Spring Valley Park at Sweetwater and Jamacha.

Volunteers from the chamber and other service groups will man nine collection centers, where Spring Valley residents will bring trash, old mattresses, weeds, and discarded appliances for proper disposal.

Collection centers will be located in the "Big T" Shopping Center at Jamacha rd.

Motorcyclist Arrested On Possession Of Marijuana Charges

A Lemon Grove man was arrested last week and was charged with possession of marijuana.

According to reports from the Sheriff's Department, John H. Willett, 22, was stopped while he was driving his motorcycle for a routine traffic violation at Main and Central in Lemon Grove last Saturday afternoon.

While deputies were speaking with the suspect, they noted an odor of marijuana about his person. He was arrested at that point and searched, with the search netting one hand-rolled cigarette

Suzanne Pickerd In May 5 Miss Lemon Grove Beauty Contest

The second contestant in the Miss Lemon Grove Pageant submitted her entry last week.

She is 17-year old Suzanne Pickerd, daughter of Mr. and Mrs. John C. Pickerd, 1324 Braddock st., San Diego. Miss Pickerd, a senior at Mt. Miguel High School, has brown hair and green eyes, stands 5-8, and weighs 125 pounds.

She joins Sheri Van Elsberg, who signed up earlier, in the annual pageant, which will be May 5 at Lemon Grove Junior High School. Those attending the affair will be entertained by Dale Bailey's Sound Company musical group from Skyline Wesleyan Church.

State Guidelines Control Increases, Directors Say

Lemon Grove firemen asked for salary increases of 13.1%-15.5% Monday night but it didn't appear that they will get it.

L.G. Fire Dept. Engineer M. G. McReynolds, Jr., authorized representative of the Lemon Grove Fire District Employee Association, used

average wages paid by San Diego cities fire departments on which to base the demands.

To this he added 3 per cent for "efficiency." He said the efficiency of the crews entitled them to it.

The total increases, if granted, would increase last year's budget by about \$36,000 in wages alone. The raises, if granted would add 10 cents to the present .834 cents tax rate. The increase would have to be taken to the voters for approval, according to V. J. Dorman, Fire District counsel.

Fire Board president William Warwell pointed out that the demand was greater than allowed by the guidelines of California Senate Bill 90 which sets a formula for budget increases. SB 90 provides that budgets cannot exceed last year's tax rate except through a formula of the percentage of population increase plus percentage of cost of living, minus the percentage of increase of local property assessed valuation.

Fire Chief Fred Dixon said that the increase, with all those factors involved, would permit an estimated 3 per cent in the budget.

Dixon said the preliminary budget, to be considered at the May 7 meeting, is for \$342,781.00 and that he had "pencilled in a 5 per cent across-the-board salary increase."

"But the budget will be kicked back by the county auditor with instructions to fit it into SB 90 guidelines," Dixon predicted.

When the 3 per cent efficiency "bonus" was proposed,

board president Wardwell re-

jected it because efficiency is

only part of the picture, he

said. The compactness of the

district and plentiful fire hy-

drants is a major contributor

to the economical fire insur-

ance rate enjoyed by local

residents.

He also reminded the board

that it was on record of re-

jecting any budget higher

than last year's.

Chief Dixon noted that there

is some flexibility in the bud-

get. Certain funds may be ju-

gled to accommodate the

"guideline" increases. As an

example, funds budgeted last

year for hydrants were not

wages alone. The raises, if

granted because a slow down in

property development in the

district halted the need for

buying and installing fire hy-

drants, he said.

Monthly salary range pres-

ently is: captain, \$1,176; en-

gineer, \$1,061; firemen, 1st, 2nd,

3rd, \$971-\$856 respectively,

and probationary personnel,

SV Fotomat Store Held Up

Two male Negroes who were described as teenagers are being sought by the Sheriff's Department in connection with the armed robbery of the Fotomat drive through photo store at 668 Sweetwater rd., Spring Valley.

Two male Negroes ap-

proached the photo booth at

about 7:30 p.m. 1st Tuesday

evening and asked the attend-

ant for a roll of film, but she

didn't have that type of film,

she told deputies.

She went on to report that

two different male Negroes,

each about 18 years old, ap-

proached minutes later, and

one of them displayed a small

shiny black revolver while

the other demanded money

and the attendant's purse.

After getting about \$37 in

cash, the suspects disappeared

on foot into a nearby field.

The suspect who carried the

gun was described as about

5'5" tall, weighing 145 pounds,

and wearing a dark watch

cap, blue denim jacket, and

blue denim pants.

The second suspect stood

5'9", weighed about 150

pounds, and wore a watch cap

'Prayer-Breakfast' Is First For Kiwanis

It was another "first" for the Spring Valley Kiwanis Club, April 18, when the first annual "prayer-breakfast" was held in the Ox Bow Inn, at the 7 a.m. breakfast-meeting of the club.

Twelve ministers of the area, as well as a Navy chaplain, were present. Besides members of the club, there were three past Lieutenant Governors of Kiwanis, members of the Lions and Rotary clubs. Visitors came from La Mesa, Pine Valley, Lakeside and as far away as El Centro.

Homer Shower of Skyline United Methodist Church, played piano and sang a medley of religious songs.

Rev. Marlan Enns, secretary of the S.V. Kiwanis Club, program chairman of the day, introduced the speaker, Capt. Paul Johnson.

Lewis Earns VFW Honors

Patrick E. Carr, of Metairie, Louisiana, Commander-in-Chief of the Veterans of Foreign Wars of the United States, has announced the appointment of Donald G. Lewis, of 10109 Ramona dr., Spring Valley of V.F.W. Post 1774, as National Aide-de-Camp, Recruiting Class, for signing up 50 or more new reinstated members in his V.F.W. Post.

In announcing his appointment, Carr commented: "My theme this year for the VFW is, 'Let's put it all together in '72.' Membership is basic to implementing all of the VFW's programs and it is men like Lewis who are demonstrating their concern for not only the VFW and veterans, but the communities in which they live."

During his six weeks at the Air Training Command's Lackland AFB, Tex., he studied the Air Force mission, organization and customs and received special instruction in human relations.

The airman has been assigned to a unit of the Air Force Systems Command for further training and duty in the transportation field.

Letters to the Editor

Dear Editor:

The population alarmists have created a preposterous myth called the "Population Explosion" which has been spoon fed to the American public. Large families have been particularly battered about by these alarmists. Large families are beginning to fight back!

Our association is a non-profit association providing economic benefits to 170,000 families with three or more children. Eventually, we fully expect to reach the 14 million large families of America.

The "population explosion" myth must be shattered. It thrives on fear and leads innocent people to emotional and dangerous actions. It leads to a "Nazi-type mentality" which starts out with slaughtering unborn children and winds up in killing off old people and other "undesirables" in society. We can regain a reverence for all life in our country and emphasize the infinite value of a child as long as we don't permit the "fearmongers" to frighten us by overworking our emotions.

The alarmists cry that we are running out of resources but can't name a resource that we are running out of. They cry about running out of food but know very little about the world food supply and what they do know is obsolete. Every unbiased, reputable source indicates without exception that the trend in food production for a generation has been more food per person in spite of population increases. They cry about pollution, yet can name no pollution which cannot be cured in spite of growth in population. They cry about lack of space, yet don't even know how much space there is. Actually, it's amazing how empty the world is. When we examine all the arguments of the alarmists, we find they have nothing but fantasies and high-powered rhetoric. Colin Clark, the world's most

renowned demographer, emphatically agrees with our position.

The alarmists are really "coop outs" since it is easier to cry about populations than solve the problems that need solving. They ignore the still unlimited opportunities in the world and the known cures for many of our problems.

Sincerely,

Judge John Henry Norton

National Secretary, Large Families of America, Inc.

Dear Editor:

The irate housewives, who should be irate, have taken dead aim on the price of meat by boycott. Unfortunately, they are going to make a large number of people suffer and lose their jobs who don't deserve it since they had nothing whatsoever to do with the high price of meat.

The real culprits are the free-spending congressmen and administrations who have spent billions beyond tax income and have eroded and ruined the value of the dollar. They are the real offenders who have created inflation and high taxes by congressional spending for pet projects. Two prime examples are \$22,432,117.71 per day for foreign aid and \$416,688.48 per day for the United Nations.

All right ladies — more power to you, but let's all of us take a point on the high-rolling "big spenders" in Congress — the real culprits who

PASSES TEST—Raymond Burr, center, leaves Hollywood and his television series "Ironside", to head up Operation Heart Alert in San Diego. Free blood pressure testing will be conducted at 11 locations in San Diego County on May 2 and 3. Muriel Minkler, Heart Assn. Nurse Co-ordinator, applies stethoscope to Burr as local newspaper editor Max Goodwin watches. Nurse Winkler said Burr's pressure is normal. He'll return to San Diego as the testing period nears.

100,000 Expected For Blood Pressure Tests

What Salk Sunday did to draw attention to "Operation tests is kept completely confidential. Burr said that 5,346 San Diego County citizens lost their lives to heart and related circulatory diseases in 1971—more than half of all the 10,265 deaths that occurred from all causes that year.

High blood pressure, technically hypertension, is called the "hidden killer" because its victims (15%-20% of the population) are usually unaware that they are so afflicted. If undetected and untreated it can lead to heart attack, stroke, kidney disease and blindness, medical men say.

PTA Highlights

Bancroft Elementary

Officers for the 1973-74 year have been selected by the Bancroft Elementary School Parent-Teacher Association.

New officers are Dorothy Eagle, president; George Fleming, Virginia Ruggles, and Kathy Barker, vice presidents; Janet Dameron, treasurer; Kathy Millhouse and Roseanne Cowlshshaw, secretaries; Polly Riggs, auditor; and Kathy Willoby, historian.

Two open houses have been scheduled this year by the PTA instead of the usual one, because of the year-round program at the school. Tracks I and IV will attend this evening, while Tracks II and III will visit the school May 17. Both open houses are planned at 7:30 p.m.

N. M. Brose

Funeral services were held Saturday morning at Bonham Brothers Mortuary for Mrs. Nellie May Brose, 88, of 4141 Merritt blvd., Casa de Oro, who died April 18 at a local hospital.

Mrs. Brose, a native of California, lived in this area for 63 years and was a member of the Estrella Club of Coronada, Daughters of the Nile Mecca Temple No. 34, the United Presbyterian Church of Coronado, and the Past Matrons and Patrons of the Eastern Star.

Cremation followed services, under the auspices of Coronado Chapter No. 332, Order of the Eastern Star, with interment in Cypress View Mausoleum.

Survivors include two sons, Paul E. Brose, of La Mesa, and John L. Brose, of San Diego, a sister, out of the area, and three grandchildren.

Committee Lists Nominations For CofC Officers

The nominating committee of the Spring Valley Chamber of Commerce has compiled its slate of candidates for the chamber's 1973-74 officers.

President candidate is Raydene Shepard, loan officer at the Campo-Cobrad branch of the Bank of America. Larry Timmons, vice principal at Monte Vista High School, and Hugh Norris, La Presa veterinarian, are vice president hopefuls.

Candidate for secretary is Naomi Marshall, and candidate for treasurer is Bessie Bailey.

The following are candidates for the board of directors: Dave Bailey, Helen Baker, Elda Carovano, Rosalie Graham, Lee Green, Pat Kellog, Marlene Ketell, Thelma Lewis, Charlotta Phillips, Ted Phillips, Gene Pierson, Bud Roberts, and Frank Marshall.

Election will be at the May meeting of the chamber.

Guest speaker will be the Hon. Thomas S. Sager, Municipal Court Judge of the City of San Diego. As this is "Law Week," he will be speaking on that subject.

Historical Society Meeting Is May 2

The regular meeting of the Spring Valley Historical Society is scheduled May 2, at 7:30 p.m., in the caretaker's home, Memory lane. The meeting will be open to the public, said vice president Charlotta Phillips.

Learn Spanish The Easy Way Hardison's Telespanish

Visiting a Spanish-speaking city is a down-to-earth way of learning functional words in the language, especially if you make a habit of reading the signs you see. Entrance doors to some stores may have the sign "EMPUEJE" for "Push." Phonetically this is pronounced "ehm-POO-heh." This single word can be a foundation for other expressions like "Empuje, por favor." (Please push.), "No me empuje." (Don't push me.), and "Empuje la puerta." (Push the door.).

"JALE" might be the sign you see on the opposite side of the door. It means "pull" and is phonetically pronounced "HAH-leh." It is also a foundation for phrases like "Jale la cuerda." (Pull the cord.), "No jale me pelo." (Don't pull my hair.) and "Jale la puerta." (Pull the door.).

"ABIERTO" is a sign that might be found in shop windows. It is pronounced "ah-bee-EHR-toh" and means "Open." It leads to other expressions like "Esta abierto." (It is open.), "Es un camino abierto." (It is an open road.) and "El siempre tiene un ojo abierto." (He always has one eye open.).

"CERRADO" is usually the word found on the opposite side of the "ABIERTO" sign. It is phonetically pronounced "seh-REH-toh" and means "CLOSED." It suggests other phrases like "Cerrado a las ocho." (Closed at eight o'clock.) and "El caso esta cerrado." (The case is closed.).

"NO TOCAR." (Do not touch) and "NO FUMAR." (Do not smoke) are words you might find on other signs. They suggest the phrases "Favor de no tocar." (Please do not touch.) and "Favor de no fumar." (Please do not smoke.). Supportive examples of Spanish words in this article appear in the below listing of phrases. A recording of them may be heard by dialing 276-2762.

Say "No empuje, por favor." (noh ehm-POO-heh pohr fah-VOHR) for "Please do not push."

Say "No me empuje." (noh meh ehm-POO-heh) for "Don't push me."

Say "Jale la puerta." (HAH-leh lah poo-EHR-tah) for "Pull the door."

Say "No jale la cuerda." (noh HAH-leh lah koo-ehr-dah) for "Don't pull the cord."

Say "Favor de no fumar." (fah-VAHR deh noh foo-MAHR) for "Please do not smoke."

Say "Favor de no tocar." (fah-VOHR deh noh toh-KAHR) for "Please do not touch."

The formula for making the paper on which U. S. money is printed is a highly kept secret.

'Pool-a-Thon' Goal Is \$50,000 For Pool At Monte Vista High

The Monte Vista Boosters Club will hold a "Pool-a-Thon" May 5 at Gunther Pool, with a goal of raising \$50,000 for the construction of an on-campus pool at Monte Vista.

Monte Vista, long dominant in the high school aquatic sports, has no swimming pool nearby, although many school officials feel one is necessary.

"A swimming pool in a school that has a good swimming program is not an extravagance," said Monte Vista principal, R. C. Brady. "Physical educators have long cited the value of swimming for developing and maintaining the human body. Swimming coaches point out that square foot to square foot, hour to hour, and year to year, no physical education facility can be more fully used than a swimming pool."

The pool, when completed, will support the school's boys' and girls' swimming teams and the water polo squad. Currently, Monte Vista swimmers work out at El Cajon's Gunther pool, seven miles away, along with nine other

schools. The crowded conditions at Gunther limit the number of participants in the school's water sports.

The "Pool-a-Thon" is a swimming marathon with swimmers compiling a maximum of 200 "lengths" of the pool or two hours in the water. Each swimmer lines up sponsors at 2 cents, 5 cents, or even 25 cents, per "length."

The participants include Brady, members of Monte Vista's aquatic program, parents of swimmers, and other interested individuals. Also swimming will be Dave Milovich, Grossmont College swim coach, and Jim Whitehead, Monte Vista coach.

The swimming pool is planned to be operated year-round, offering to the community the facilities for programs such as physical education classes for girls and boys and "learn to swim" programs for young children, Red Cross lifesaving training, and water safety training, competitive swimming and diving, AAU swim teams and student leadership training, family recreation and therapy for handicapped and retarded children.

Art Display At Library

During this week and all of May, the Spring Valley Library is displaying works of art, crafts, and antiques from the Rosebud Studio, of Mission Hills.

In this collection, owned by Mrs. Susan Lamb, is included colorful still life photographs, small oil paintings in antique frames, stitchery patterns on felt pillows, pottery, and bottled plants.

The Spring Valley Library is located at 1043 Elkton Blvd., phone 463-3066.

Set Clocks Ahead

Local residents who don't want to be late for church Sunday should remember to set their clocks ahead when they retire Saturday night.

Daylight Savings Time, which officially begins at 2 a.m. Sunday morning, may "rob" you of an hour's sleep, but you'll get an hour of extra daylight in return.

"WE HONOR OURS" — Joan Wittrock, a teacher at Vista La Mesa School, and Jack Lemmer, a teacher at Palm Junior High, were recipients of the "WHO" or "We Honor Ours" award Saturday evening at the eighth annual WHO Awards program of the San Diego County Teachers Association. The awards, which include an owl trophy and a certificate of award were made to Miss Wittrock and Lemmer for their contributions toward improvement of education. Miss Witt-

who has been with the Lemon Grove District for 15 years, teaches fourth grade. She has been active in the Lemon Grove Teachers Association and the San Diego County Teachers Association on its executive board. Lemmer has been with the district for 21 years, served as president and vice president of the LGTA, and is also a past president of the SDCTA.

'Cabaret' Scheduled As Mt. Miguel Musical

A two-night "Come To The Cabaret," pops concert will be held next Wednesday and Thursday evenings by the Mt. Miguel High School Music Department. Both performances begin at 7:30 in the school gymnasium and tickets are \$1.

The presentation features the stage band, concert choir, girls' choruses, jazz dance club, folk singers and solo dancers and singers.

Numbers include "Jubilation," "Black and White," "Watermelon Man," "Walkin' Lonely," "So Far Away," "Grand Central Shuttle," "One Less Bell," and "Cabaret."

The Mt. Miguel jazz band scored a first place in its division at the recent Southwestern College Jazz Festival. Competition was held in the novice and curricular divisions and Miguel, competing in the novice grouping, tallied 42 points.

Gourmet Dinners Due At Grossmont College

Grossmont College's food service management students will again take their "final examination" by preparing and serving gourmet dinners that have become a spring semester tradition.

Started in 1967 by food service management coordinator William R. Chesebrough, the popular dinners test the students' knowledge and skill in planning, purchasing, preparing and serving a dinner for a large number of people.

This year the graduating class has elected to serve an international buffet as well as a dinner featuring French cuisine. Both dinners, open to the public by reservation, will be managed by a student in the food service management program who will receive his A.S. degree in June. Other food service management students will serve as assistants to the managers of the student project dinners.

The first gourmet dinner, the international buffet, is scheduled for 7 p.m., tonight in the student center. Guests will have a choice of appetizers, entrees, salads and desserts from around the world. Managed by Marcelo C. Balagtas, the dinner will feature a Philippine dance troupe under the direction of Grossmont College dance instructor, Dr. Lolita Carter.

The second dinner, scheduled for 7 p.m. May 10 in the student center, will be managed by William R. Rooksberry. Rooksberry will offer guests a choice of hors d'oeuvres and canapés followed by the "piece de resistance" of roast pork with sauce saubise. A small musical group will play appropriate dinner music during the meal.

Prices for the dinners are \$4.50. Reservations and tickets for the May 10 dinner are available at the Grossmont College Bookstore, phone 465-1700, Ext. 234.

Fair of Future May 18, 19 At Grossmont

A two-day time trip to a future fair will be presented by Grossmont College May 18 and 19. This "Cosmic Carnival," sponsored by Grossmont College's Office of Community Services and coordinated by English instructor Len Pelletieri, will feature an outstanding list of exhibits, demonstrations, speakers and films topped off with "far out" food that will include space pogens and space drinks.

Exhibits of the future will be presented by the San Diego County Library, the Naval Electronics Laboratory Center, NASA, Zero Population Growth Society and Grossmont College's electronic technology, biology, biomedical and art departments.

Speakers scheduled to appear during the two-day "Cosmic Carnival" include science-fiction writer, Theodore Sturgeon; ex-priest and psychologist Dr. Robert Cavanaugh; Dr. Al Lewis speaking on psychic phenomena behind the Iron Curtain and Dr. Charles Tart speaking on "Out of Body Experiences: Science and Psyche."

Several futuristic films will be screened on both Friday and Saturday. "THX 1138," "In Search of Ancient Astronauts," "Future Shock," as well as others will be presented in the college's Fine Arts Recital Hall.

Explorers Hold Special Dinner

The first annual Sportsman Awards Banquet of Explorer Post 376, sponsored by St. Philip's Episcopal Church of Lemon Grove, was held recently.

Harold Rhodes, president of the post, introduced his new co-officers for 1973. They are Brian Mueller and James Wilson, vice presidents; Dan Mueller, secretary; and Tom Smith, treasurer.

Awards were presented to Robert Hill, who claimed his bronze palm, and James Wilson, who earned his reading merit badge. Ronald Reed was named the post's best hunter, and Harold Rhodes was named best fisherman.

The best sportsman award was presented to Robert Hill.

Den Mothers To Be Honored

Over 16,000 Cub Scouts in San Diego County will salute the individual most responsible or the success of their program — the den mother.

Applications are now being accepted for the first San Diego County Council Cub Scout "Den Mother of the Year" Award.

Awards will be presented May 19, to Den Mothers selected by each of the county's Cub Scout Packs at a special ceremony at the new Reuben Fleet Space Science Theatre in Balboa Park.

Dave Hoover, of Rancho Santa Fe, a member of the National Scout Committee and Chairman of the San Diego County Council Cub Scout Advisory Committee said he believes this will be the first awards ceremony of this kind to be held anywhere.

"Our committee felt more recognition was needed for these great volunteers who give up so much of their time to make our Cub Scout Program a success," Hoover said.

Hoover said each of the Cub Packs is eligible to nominate one Den Mother and noted that there are normally 3 to 8 Den Mothers working with each pack, one for each den.

Carolyn K. Buttolph, newly appointed Internal Revenue Service director for Maine, is the first woman to hold such a position.

Trouble Shooting Test Set

Auto shop instructors throughout this area are now holding classroom tests to determine which students will represent their schools in the regional Plymouth Trouble Shooting Contest May 4 at Santana High School, Santee.

The "road scholars" will be members of two-man trouble shooting teams selected by their instructors for a nationwide competition which offers rewards for outstanding auto-mechanics students.

The teams at the regional contest will be looking for a series of malfunctions which are deliberately hidden in new cars to test the knowledge the students have gained in classes in auto mechanics. Their job is to find the malfunctions using classroom procedures, correct them, and restore the cars to perfect running order.

First team to find and fix all the problems is the winner, provided the team also receives good grades in the written examination which is part of the contest and which contributes to the final score.

Competing for prizes, trophies, scholarships and tools will be teams from Mt. Miguel and Monte Vista High Schools.

Turtle Races Highlight May 12 Scout Fair

Visitors to the 23rd annual Scout Fair May 12 at the Del Mar Fairgrounds can participate in sailboat races, turtle races, or throw wet sponges at V.L.P.s.

Participation chairman Knud Antonsen reported more than 100 Scout unit entries have been processed. He looked for a total of 400 units to be involved either with displays and demonstrations or as service units.

The sailboat races are a project of John Merritt's Pack 617 of Poway. These are miniature sailboats that sail along rain gutters. Participants provide the wind by blowing through straws.

Pack 723 of Fallbrook, headed by Clarence Drewry is conducting the turtle races and Troop 258 from the Torrey Pines District will set up the wet sponge throw in Funland — one of 11 special areas at the Fair.

There's no limit to the ingenuity of the Scouts, Antonsen said. Chuck O'Masters' Torrey Pines District Pack 269 is installing a complicated looking computer complete with flashing lights that will answer questions.

Everett Top Student

William Everett, of Lemon Grove, is among 592 students at California State College at Sonoma who were named to the fall semester dean's list at the school.

To qualify for the dean's list, a student must carry a semester load of 12 or more units and maintain a grade point average of 3.5 or better out of a possible 4.0 average.

PIONEER IN WILDERNESS — Forest Service Chief John McGuire, left, talks about problems of wilderness planning with Arthur H. Carhart, of Lemon Grove, at a recent luncheon in Washington, D.C., honoring the Lemon Grove man, who was the first wilderness planner when he drew up plans for

public recreation and wilderness areas in 1919. Carhart took part in ceremonies marking the publication of the book "The Quiet Revolution", which documents Carhart's key role in the early 1920's as the first landscape architect employed by the forest service.

El Cap Whips Matadors For Lions Tourney Title

Two Spring Valley schools showed good pitching and power last week in the Lions Baseball Tournament, but a remarkable turnaround by El Capitan took the tourney title away from Mt. Miguel and Monte Vista.

El Cap, a team that was beaten a month ago by Granite Hills, 18-2, regrouped its pitching staff and won five straight ball games to claim the title.

Among the favorites in the tournament was Monte Vista, with Mt. Miguel rated a dark horse. Monte Vista downed El Centro, 11-0, in the opening round, as three pitchers teamed up for a three-hitter. Mt. Miguel's Phil Williamson went the distance in beating Sweetwater, 1-0, with a one-hitter.

In the second round, Mt. Miguel beat Crawford, 2-1, in nine innings, as Steve Long twirled a four hitter, and Dave Munoz blanked Madison, 2-0, for Monte Vista, to send the two Spring Valley schools into the quarterfinals.

There, Monte Vista met its match as El Cap's Joe Udden threw a three-hitter at the local school and Vaquero Gary Armstrong belted a two-run single off Monarch pitcher Steve Baker for the game's only scores.

Mt. Miguel also had a bit of a rough game against Lincoln, as Jess Jenner pitched five good innings before the Hornets got good wood on the ball. Mt. Miguel struck for a run in the third inning and four more in the fifth to take a commanding lead, but Lincoln pushed across a lone score in the sixth then put together a rally in the last frame before Phil Williamson came in to put the fire out and salvage the victory, 5-4.

Mt. Miguel faced off against Patrick Henry in the semifinals, and Henry looked to be a tough foe, as the Patriots had put together a pair of 1-0 victories in fine pitching displays the day before.

But Henry twirling didn't look too sharp against Mt. Miguel, as the Matadors struck for two runs in the second inning. The Patriots countered with three runs in the third frame to take a one-run lead, but Mt. Miguel bounced back with a run in the fourth and three more in the fifth to make it 6-3. An insurance run in the top of the seventh made the final count 7-3, as Matador pitcher Steve Long recovered from a shaky start to blank the losers over the last four innings.

That set up the championship encounter with El Capitan, which had received phenomenal efforts from the pitching staff over the first four games, collecting a pair of one-hitters and two three-hitters.

Both teams had good pitching in the big game, as Phil Williamson went the distance for Mt. Miguel, having trouble only in the third and sixth innings.

In the third frame, El Cap pitcher Jeff Byrd connected with a 400-foot home run, and Gary Armstrong scored on a double by Jerry Phillips to give the winners a 2-0 lead. In the sixth inning, Warren Salas doubled and scored what proved to be the winning run.

Down by three runs, Mt. Miguel finally got some wood on the ball in the final inning and scored two runs on a throwing error and had runners at first and second base with two out when Williamson came to the plate.

Williamson hit a solid grounder into right field for a single, but rightfielder Tom Owen, who had been playing close to the infield, charged the ball and threw a bullet to first baseman Jerry Phillips, who relayed a strike to catcher Rick Strang, who tagged Matador Mike Ott. The out, which ended the game, cut down the tying run, as Ott had tried to score from second base on the single.

The win for El Capitan was its tenth straight, and ended at Mt. Miguel winning streak at eight games. Both teams saw action Tuesday, and more league play is set for tomorrow at Mt. Miguel, game time 3 p.m.

A full house is expected to fill the 6,000 seats to witness the fast, hi-banked, 3/8th mile asphalt oval. Cajon has gained the reputation of one of the best racing plants in the West.

The 1973 Super Stocks will be limited to a wheel base of 109" as per manufacturer's original specifications. All models must be hard top. Cars with 113" and over will be allowed to run as convertibles.

Treaded tires will be mandatory. Any engines of U. S. passenger cars can be used. All cars must weigh a minimum of 2800 lbs. to 3100 lbs. per cubic inch over 310 including a full load of fuel, oil and water.

Four 6 lap heat races, a 10 and 15 lap semi-main will be followed by the 30 lap main event of the 20 fastest cars.

The new cars will be out to break the track record of 18:51 set by Tex Kimbrel of Chula Vista on July 17, 1971. Fast times set in the Open

S.D. Heavyweight Given No. 2 Spot by RING Magazine

San Diego heavyweight is no. 2 but he isn't trying hard.

He isn't fighting at all and the prospects of an early fight do not look encouraging.

His no. 2 rating comes from Nat Loubet, editor and publisher of The Ring. Loubet moved him from no. 8 to no. 2 following the upset defeat of former champion Muhammad Ali by Norton.

Loubet also revealed that The Ring will feature Norton as "Fighter of the Month" in the June issue.

Meanwhile, there is a lot of talk but no action as far as future fights are concerned for Norton. Possible opponents that have been mentioned in recent discussions involving the Norton camp include Foreman, Jerry Quarry and Joe Bugner.

Alli, who had been rated as the number one contender to George Foreman's title, has been dropped down to the number three spot, Loubet noted. Joe Frazier has taken over as the current number one challenger, according to The Ring rating system.

Norton will be in a fight of a sort on May 8 at Washington, D.C. when he fights Pete "Moleman" Williams. But it will be an exhibition fight bolstering a card featuring world-rated welterweight John Gant.

Norton is also scheduled to appear before the Touchdown Club April 30 in the nation's capitol. During the first week of May he will be in his home town of Jacksonville, Ill., where he is to be honored.

TWO NEW ROOKIES — Clay Kirby fits Sea World maiden Karen Hartz with a Padre cap while Steve Arlin holds Stanley Star-maker, who is wearing a Padres Little Swinger warm-up jacket. Karen and Stanley will be in the pre-game lineup on Sea World Night, Friday May 4 when the Padres play the Pittsburgh Pirates. Coupons will be distributed to fans attending the May 4 game that will be good for family discounts at Sea World. Stanley's warmup jacket is the one available for every boy and girl 15 and under who are members of the Padres Little Swingers Club. Memberships and jackets may be picked up at the Padres Stadium offices and at the season's next Little Swinger Night, Saturday, May 5.

Padres Due Home Tuesday; Set Family Night May 7

Look who's coming home games Friday and Saturday nights and a Sunday afternoon contest Then come the Cubs.

The Padres — after 11 days and 9 games away from the Great S.D. Stadium.

Who are they bringing? The St. Louis Cards — at 7:30 Tuesday and at the same hour on Wednesday and Thursday.

Then, starting on May 4, the Padres will entertain the Pirates for three games which includes a game on Sunday at 1 p.m.

After that comes the Cubs for a trio of games — the first of which is Family Night.

Everybody is winner on Family Night. All seats are half-price for the May 7 game.

Family Night means that a family of four may sit in the top-priced seats in the Stadium for a total cost of only \$8.

A family of six can sit in the reserved loge sections for only \$7.50.

And a family of eight (two adults and six children) can watch the game from the general admission areas for only \$4.50.

It's baseball at a bargain and baseball for everybody: as well as the Padres against the Cubs, a pretty attractive match-up by itself.

The Padres are making Family Night half-price tickets available now. Field and press level seats at \$2, plaza level seats at \$1.75 and loge level tickets at \$1.25 may be purchased at the Padres advance ticket windows (located Gate E at the Stadium) open daily Monday through Saturday from 9 a.m. to 5 p.m.

Family Night half-price tickets also may be purchased by mail. Send check or money order plus 25 cents for handling to Padres Tickets, Post Office Box 2000, San Diego 92120.

The Cubs, one of the favorites to win the National League's eastern division championship, will be making their first 1973 visit to San Diego on Family Night. Fans will have their opening look at such standouts as Billy Williams, Ferguson Jenkins, Ron Santo and Rick Monday.

The Cub series is part of a nine-game home stand for the Padres, who play 19 games in the Stadium during May.

When the Padres return home next week, they open against the St. Louis Cards for a three-game series starting Tuesday.

The Pittsburgh Pirates arrive for the weekend with

ing the May 4 game that will be good for family discounts at Sea World. Stanley's warmup jacket is the one available for every boy and girl 15 and under who are members of the Padres Little Swingers Club. Memberships and jackets may be picked up at the Padres Stadium offices and at the season's next Little Swinger Night, Saturday, May 5.

Padres have scheduled several other promotions for the home stand... Peter the Penguin, Max the Sea Lion and C.J. the Chimp are part of the Sea World pageant prior to the game on Sea World Night, Friday, May 4.

Sea Maidens also will be on hand that evening to distribute coupons for family discounts and free Shamu kites, available for children 4-17, at Sea World.

The first of two Teen Nights is scheduled for Friday-May 5 with all Student-Teens admitted to the reserved loge section for only \$1... Prizes sponsored by KCBQ, that include motorcycles, 10-speed bicycles, cameras, concert tickets, albums and six-packs of Pepsi, will be awarded every inning... Teen tickets are also available by mail and at the advance ticket windows at the Stadium.

And the second of five Picture Pack-Autograph Days, sponsored by Dean's will be Sunday, May 6... Dean's will distribute to the first 15,000 fans attending the game pictures of six Padre players and coaches, who will be available for autographs before the game.

The quartet of U. S. players who were members of the losing Olympic team are Brewer, Collins, Henderson and Jones.

A 6-9 forward who can play center, Brewer was the leading rebounder on the U. S. Olympic team last summer. The three-time MVP at Minnesota averaged 14.0 points this past season.

Collins will be the leading scorer on this team off his collegiate efforts this year. The 6-6 Illinois State All-American averaged 26.6 points a game.

A 6-3 junior from the U. of Hawaii, Henderson averaged 19.8 points a game this year while Jones led North Carolina with 15.0 points and a 9.2 rebounds a game. He is 6-9.

Minor division action saw Polar Frozen Foods blast Well's Upholstery, 25-2, as Keith Dixon tossed a one-hitter; Worthing Plumbing out hit Zumwalt's, 17-8; Lomita Bowl blanked the Boosters, 12-0 on a one-hitter by Charles Olivas; and A/C Appliance edged Maple Cottage, 10-9.

In the Lomita Bowl game, Sloper in the drama, directed by Pat Smith, while Dorothy Dixon will handle the role of Lavinia Penniman. Seven other actors complete the cast for the play, which will open May 4 at 8:30 p.m.

The production will be staged each Friday and Saturday evening in the Kimball Park Community Building in National City through May 19.

In an upset, Letter Carriers stopped Luigi's by scoring six runs in the last inning to win, 8-3. The Carriers jumped on losing pitcher Mark Stuerman, who was the starting pitcher, for solid singles to claim the victory.

In the intermediate division, Berg continued to trail until the last inning, when Jackson fielding came apart at the seams, letting in the winning runs.

In other major division action, One Hour Martinizing blasted Kiwanis, 13-3, Moose Lodge beat Dial Finance, 12-5 in a protested game, and Letter Carriers used the "big inning" to whip Luigi's, 8-3.

In the protested game, a Moose Lodge player was hit by a batted ball while standing on third base and was not called out. Two runs were subsequently scored. The basis for the protest is a rule which calls for the runner to be called out. If the protest holds, the game will be replayed.

Berg Shocks Jackson In SV Little League Opener

The 1973 Spring Valley Little League season got underway Saturday, as teams in three divisions saw action.

Highlighting the major division was Berg Electric's shocking 12-9 victory over Jackson Supply. Jackson took a 6-2 lead in the third inning when Mike Vitale belted the first homerun of the season, a grand slam.

Berg continued to trail until the last inning, when Jackson fielding came apart at the seams, letting in the winning runs.

Walton Faces Russians In Saturday Hoop Play

Bill Walton, four Olympians and playmaking guard Ernie DiGregorio lead the 13-man U. S. team named to face the Soviet Union national basketball team Monday night in the Sports Arena.

The team was announced last week by U. S. coach Bob Cousy.

Besides Walton, who is not yet committed to the game, and DiGregorio, the U. S. team will include guards Doug Collins, Tom Henderson, George Karl, Jim Olexy and Greg Lee; forwards Bobby Jones, Jim Brewer, Ron Behagen, Pat McFarland and Fred Saunders and center Swen Nater.

Opposing them in the charity contest will be a Russian team which will include nine members of the Olympic gold medal winning unit from last summer's Munich Olympics.

That team, which defeated the U. S. in the controversial championship game by a 53-52 count, will be bolstered by 7-foot-1 center Vladimir Andreev. Andreev was the Russian hero of the '68 Olympics, but a leg injury kept him out of the '72 games.

Also on the Russian team will be Aleksander and Serge Belov. A 6-7 forward, Aleksander scored the winning basket against the U. S. team while Serge, a 6-3 guard, had 20 points in the finals. The Belovs are unrelated.

Walton is a probable for the game and is hopeful of playing here. The 6-foot-11 La Mesa product has never played before local fans as a collegian after a sensational high school career at Helix High.

But before he will commit himself to the game, Walton wants to be positive the ankle he injured in the NCAA final game has healed. He also must clear up a class scheduling conflict.

SD Linen Tops 'Sox Standings

After a week of play in the Spring Valley Bobby Sox League San Diego Linen remains the only unbeaten team in the majors after winning two games last week to compile a 3-0 record.

Blanchard Realty and Border Parts each share first place in the minors after victories last week.

Ranchero Painting started the week for the majors by downing Mac's Drive In/Speedy Seven-Eleven, 5-2. Susan Roberts decided the game for Ranchero when she hit a two-run triple in a three-run, fourth-inning rally to win the game.

On Thursday, San Diego Linen relied on the eight-hit pitching of Michelle Moore and a defensive gem by Velencia Mitchell to nip Odel Realty 7-6.

Miss Moore had a four hitter going into the seventh inning but Odell got to her for three runs on four hits to bring them close. Miss Mitchell made an over the shoulder catch of a deep drive to center to kill the rally.

San Diego Linen won its third game of the year by overcoming a two-run home run by Paula Perettie to edge the Spring Valley Woman's Club, 7-6.

Cindy Smith benefited from a three run rally as she struck out ten and allowed only five hits. The defensive play of the game came

Broderick, Miszuk Selected As Western Hockey All Stars

The San Diego Gulls placed two men on the first team of the Western Hockey League all-star squad and one on the second team. The Gulls on the first all-star team are defenseman John Miszuk and goalie Ken Broderick. Defenseman Al LeBrun was voted to the second team.

Goalie Ken Broderick's selection to the first team is just another indication of the great season he had for the Gulls in 1972-73. Already the top goalie in the league with a goals against average of 2.94, he was recently named the Most Valuable Player in the WHL. Now he has been voted the Western Hockey

League all-star goaltender. Along with his goals against average of 2.94, the only player in the league to go under 3.00, Ken set personal highs with most wins (23), minutes played (2977), games (51) and tied a team and personal mark with three shutouts.

The other first team all-star is defenseman John Miszuk. A tower of strength in the Gulls backline corps, he averaged more minutes than any other San Diego skater, over 30 minutes per contest. He set a new team mark with 38 assists by a defenseman and his total of 40 points was the second best total of his career. In three years with the Gulls, John has missed only one game, that coming early this past season.

San Diego also placed a defenseman on the second team in the person of Al LeBrun. Completing his fourth season with the Gulls, Al played a major role in making the Gulls the least scored upon team in the WHL. Always an aggressive player and considered one of the strongest men in all of hockey, Al set a new career high with 101 penalty minutes, the first time in his career he has gone over the century mark. LeBrun played in every game during the 1972-73 season, scoring 18 points on two goals and 16 as-

No-Hitters, Extra Innings In Pony Loop

The 1973 season for the Sky-Grove Pony League got off to a wild start last week, as games included a 13-inning affair, and back-to-back no hitters.

The season opener was between Hutchison Roofing and Lido's Pizza, with Hutchison finally claiming victory more than 24 hours after the game started.

The game began Thursday afternoon, but was called after seven innings due to darkness. Play resumed Saturday, and the game went another six innings before hard-luck loser John Young, who worked nine innings, was tagged for a single which drove in Danny Mier.

Mier led off the 13th inning by striking out, but he bootlegged it to first base when the Lido's Pizza catcher dropped the ball. Mier then swiped second base with the next pitch to set up the game-ending play.

On a hit-and-run play, Ron Truitt drilled one into right field as Mier flew around third base. He scored when the Lido's first baseman relayed the ball to the plate too late. The score was 5-4.

Ned's Outboard got back-to-back no-hitters to sweep a pair of games from Murphy Plumbing. In the first contest, Ned Ritchey worked three innings of hitless ball before making way for Rex Jenner, who finished the game without allowing a hit.

Ritchey came back to work the entire second game, again allowing no hits. He struck out eight of nine batters in the first game and 19 of 21 in the second game to complete ten innings of hitless ball and 27 strikeouts. Ned's won both games, 2-0 and 3-0.

In the only other action, Lions Club split a pair with A-Rooter. Rooter won the first game, 13-7, but the Lions battled back to win the second encounter, 14-9.

Grid Stars in Hoop Game for Youth Sports Aid

A basketball game between several professional gridiron stars and some of the top hoop performers in East San Diego will be held at Peterson Gym on May 4 at 7 p.m.

The game is the idea of Charger Mike Garrett who said the proceeds will be used for promoting a sports program among youths in South-east San Diego and for equipping fans to transport disabled State College students to classes and to sports events.

Mike Garrett

Garrett told Sportscenter/Sportswriters Assn. Monday that Haven Moses of Denver and Willie Buchanan of Green Bay, Gary Garrison, Sam Gruneisen and Cid Edwards, and other players from the Chargers would make up the team to oppose the Southeast S.D. All-stars.

Miss Wehner Wins US Savings Bond

Joann Lucille Wehner, daughter of Mr. and Mrs. Francis J. Wehner, of 7524 Davidson Ave., Lemon Grove, was one of 203 students who received certificates of merit and U. S. Savings Bonds.

Miss Wehner, a student at Mt. Miguel, received a \$100 savings bond along with her certificate of merit. The awards are under a program which calls for scholarships and awards for children of Firestone Tire and Rubber Company employees.

Volunteer Divers In Search, Recovery Efforts

Public safety in San Diego County has taken on a new aspect — the Sheriff's Department's volunteer Underwater Search and Recovery Team.

"Search and rescue in the county is the responsibility of the Sheriff," said Deputy John Jordan, one of the founders of the team. "The team was established to assist the Sheriff's Department and outside agencies in water-related incidents."

The team consists of 15 regular officers, all certified SCUBA divers. They work on an on-call basis and can respond to a call within a half-hour anywhere in the north county area, he said. Eventually they hope to have two teams of 20 men each in north and east county areas.

Scholarships Now Available

Financial aid and scholarship applications for the 1973-74 academic year are now available in the Grossmont College Student Placement and Financial Aid Office.

Graduating high school seniors and returning adults planning to attend Grossmont in 1973-74 who may need financial assistance to remain in college, are urged to apply now.

The next priority deadline is May 15. Subsequent deadlines will be on the 15th of each month thereafter with applications being accepted as long as funds are available.

College financial aid personnel analyze each application, determine the degree of financial need and recommend a financial aid plan to meet the students' educational needs over and above what the student and his family are expected to contribute toward the educational budget. Depending upon need, financial aid and scholarships may cover such items as tuition, books, room and board, transportation, as well as other educational expenses.

For additional information, contact the Student Placement and Financial Aid Office at 465-1700, Ext. 367 or 368.

Deadline Near For European Summer Tour

Grossmont College's fifth annual European study tour, a six-week tour of the Alpine Countries and Middle Europe, still has a limited number of spaces available according to Grossmont College instructor Robert Peck, who will serve as tour conductor this summer.

The all-inclusive cost for the tour is \$995. This includes jet transportation from Los Angeles to Brussels, all ground transportation in Europe, hotel accommodations, meals, admission to cultural events and return transportation from Paris to Los Angeles.

This year's tour was planned so that participants would have the opportunity to see not only the European capitals, but also the smaller provincial towns with ample free time for hiking, shopping and exploring in the villages.

Anyone interested in joining the summer tour is urged to contact John Feare, tour coordinator at 465-1700, Ext. 275 or Robert Peck, tour conductor, Ext. 205, for additional information. Application deadline for the tour is Monday.

Garden Tour On Tap

Lemon Grove Woman's Club Garden Section will meet at 9:30 a.m., May 1 at the club house, 2810 Main st., Lemon Grove, and travel to Cox's Epiphyllum Gardens in Encinitas.

Mrs. C. B. Goldthorpe, section chairman, and members are planning to lunch in Encinitas, following a tour of the gardens.

The Garden Section is open to all members of the club.

Frasch Earns Honors

Richard Frasch, a junior at Claremont Men's College, has been listed on the fall semester dean's list as a distinguished scholar at the college.

Frasch is the son of Mr. and Mrs. Grant Milsten, 10021 Cristobal, Spring Valley.

To qualify for the dean's list, a student must maintain a full semester course load and maintain a grade point average of 3.0 or better out of a possible 4.0 average. To be listed as a distinguished scholar, the student must maintain a grade point average of 3.5 or better.

The U. S. Postal Service receives about a thousand letters a year making suggestions for commemorative stamps.

Spring Valley Actress Gets Leading Role

Mary Pipes, of 3137 Bancroft dr., Spring Valley, has been selected to play a leading role in the San Diego State stage play "The Birthday Party", by English dramatist Harold Pinter.

Miss Pipes will play the mother of a young man who seeks to hide from the world after being threatened by society and the forces of evil. The forces of evil appear in the form of interrogations.

After an intense interrogation scene and a bizarre birthday party, the young man goes away with the strangers.

The theme of the play has been interpreted as the reduction of an individual to a non-entity in order to be re-routed into society as a "beneficial" mechanism.

Director Lynn Bohart explains the directional concept: "I am looking for the emotion behind these people as an element with which to reach the audience. The people in the play are highly realistic, but the way in which Pinter has formulated the play, there appears a strange juxtaposition or reality versus non-reality."

The production will be staged May 3 and 4 at 8 p.m. and May 5 at 2 and 8 p.m. in the Experimental Theatre of the dramatic arts building at San Diego State.

Visitors Top Million At Wild Animal Park

Attendance at the San Diego Wild Animal Park reached one million last week, less than one year after the park opened.

Prior to opening, San Diego Zoo officials had anticipated 516,000 people would visit the zoo's "second campus" at San Pasqual during the first year of operation.

With two weeks remaining before the first anniversary, and attendance running well over 15,000 people per week, park officials project the year's attendance will easily double the earlier estimates.

"There's no doubt that the park is an overwhelming success and on its way to becoming one of San Diego's leading tourist attractions," said interim director Charles Bieler. "Our surveys show the park has been a leading attraction for San Diegans as well as out-of-state and even out-of-country visitors."

El Cajon Man Arrested in SV

An El Cajon man was arrested late last Wednesday evening in Spring Valley on charges of possession of marijuana.

According to Sheriff's Department reports, William C. Worden, 21, was stopped at the corner of Kempton and Jamacha blvd. on a traffic violation.

While the suspect was getting his registration from the vehicle glove box, reports indicate, deputies noticed a plastic bag containing a substance similar in appearance to marijuana.

The suspect was arrested and his vehicle searched, with deputies netting approximately one ounce of the substance.

'Scandinavian Spaghetti' Dinner Due Saturday

The April meeting of the La Mesa Scandinavian Lodge, Vasa Order of America, has been scheduled for Saturday evening at 8 p.m. in the La Mesa Woman's Clubhouse, 5220 Wilson ave., La Mesa.

Prior to the meeting, the lodge plans a "Scandinavian spaghetti dinner" at 6 p.m.

Other lodge news includes the annual Gala May Festival May 5 at 8:30 p.m. in Carpenter's Hall, 670 East Lexington, El Cajon.

Gota Ohlund's home will be the location for a Vasakrets meeting May 14, and Vasa the Arthritis Foundation, and Youth Day at Vasa Park will be May 20.

NO INJURY — Residents of Brookside had more excitement than that provided by Easter baskets Sunday, when Thomas L. Harris, 26, of 3411 Fairway dr., lost control of his vehicle and ended up in the drainage ditch which divides Fairway. The car landed on its side, but Harris, who was apparently the only occupant of the vehicle, was not injured. The accident occurred at 4 p.m. Sunday.

Western States Music Tourney in La Mesa May 11-12

High school bands from Texas, Oklahoma, Arizona and Idaho — as well as those from La Mesa May 11-12 in the Fifth Annual La Mesa Western State Music Tournament.

For the first time, the LMWSMT has invited area junior high school bands to compete in a separate division. Among them is the band of Lemon Grove Junior High.

High school bands include: Burges High School, El Paso, Monahan High School, Mohanahans, Texas; Maryvale High School, Phoenix; Nampa High School, Nampa, Idaho; Western Heights High School, Oklahoma City; Colton High School, Colton; Grossmont High School; Monache High School, Porterville and Loara High School, Anaheim.

Helix High School will serve as Host Band. Gerry Kirk as Band Director.

Trophies and cash prizes will be presented to winning bands and specialty corps. On Friday, May 11 an all-day free concert will be given at Grossmont High School. A parade will be at Grossmont Center Saturday morning and the evening extravaganza half-time show at Aztec Bowl.

John A. Davis, President Emeritus of the tournament, is serving on the American Revolution Bi-Centennial Commission of California and recently announced the La Mesa Western States Music Tournament as an official participant in the 1976 Celebration.

During that year, the bands participating will be asked to depict an historical event in their half-time performance from their state or area.

Mussel Quarantine Starts Next Month

The succulent mussel may be unusually poisonous this summer because of California's rain-drenched winter, a state health official warned.

In ordering the annual mussel quarantine in coastal counties May 1 to October 31, State Public Health Director Dr. Frederick B. Hodges said years of high level toxin activity in shellfish have been associated with heavy rainfall and surface water runoff.

"The Gonyaula organism, which gives the ocean water a deep reddish-brown color, is food for plankton feeders such as mussels, clams and oysters. It grows near the surface and in the warm summer months produces a highly potent poison that is concentrated in the digestive glands and muscle tissue of molluscs. Abalone, crab and shrimp do not feed on plankton and there is no danger of poisoning from them," he said.

The state has imposed a summer and fall quarantine on mussels and other species of molluscs associated with poisoning since 1934. From 1927 through 1972, public health records show 44 outbreaks that resulted in 403 cases and 30 deaths.

Mussels have been responsible for most outbreaks (35), followed by clams (8) and oysters (1).

Scouts Sell Tickets

Tickets have gone on sale through local boy scouts and cub scouts for the May 12 Scout Fair scheduled for the Del Mar Fairgrounds.

About 30,000 scouts are selling tickets, according to ticket sale chairman Patrick Tohn, who explained that scouts will earn awards based on the number of tickets they sell.

"They earn a commemorative neckerchief slide for the first three tickets they sell," Tohn said, "and for every five after that, they will receive a 'scout buck' which they can redeem for merchandise at 17 scout distributors in the county."

"They can also earn family tickets to Sea World, he said, and the top salesmen will receive television sets.

Opening Day Due

Lemon Grove Little League action for the 1973 will begin Sunday following opening day ceremonies at 1 p.m. at the league field behind Monterey Heights Elementary School.

Each team will participate in two-inning exhibition games. Major league action started this week.

Game Time Changed

The Russian-U.S.A. basketball game to be played Monday at the Sports Arena will start at 6:15 instead of 8 p.m. to accommodate eastern time.

6-foot-11 Bill Walton is scheduled to play on the U. S. team.

NOTICE TO CREDITORS SUPERIOR COURT OF CALIFORNIA, COUNTY OF SAN DIEGO

No. 102984
ESTATE OF ANTHONY A. DOHERTY, also known as ANTHONY ALBERT DOHERTY, aka ANTHONY DOHERTY, Deceased.

JUDGES — Making up the Citizen's Committee for Postal Week in Lemon Grove are Jim Dorman, left, Dell Lake, Louis Poluzzi, Gladys Phares, and James Kenaga. They are seen as Postmaster Nate Hale presents them with certificates of appreciation for helping make Postal Week, which

begins Monday, a reality. Not in photo are Barbara Southard and Max Goodwin. The committee will judge postal people, selecting the most courteous clerk. Also to be honored is the postal driver with the best driving record.

LG School District OK's Citizen Committee Goals

The Lemon Grove School District Board of Trustees met Tuesday night in the auditorium at Lemon Grove Junior High and accepted goals formulated by the citizen advisory committee, appointed the committee to assess the district current achievement of the goals and asked that the committee formulate priorities for implementing them.

William Talbot, chairman of the committee, read the goals, which were accepted by the board after a short discussion. The board then asked if the committee was willing to continue working on assessment and formulation of priorities. Talbot noted that the group had spent over 500 man hours on the project so far, but after checking with other committee members in attendance, expressed willingness to continue.

In another item of note, the board designated principals of district schools as management under provisions of the Dent Bill, which requires designation of district employees as management or non-man-

agement for meet and confer arrangements on salary and benefit questions. Management may not be represented in negotiations by the certificated employee organization. Also designated management were superintendent Bob Sutton, assistant superintendents James Justeson and Paul Reynolds, and pupil personnel coordinator Genevieve Oliphant.

At the April 10 board meeting, the board had tabled the same item after the principals met and requested to be designated as non-management. The board waited on the question in order that it could hear the reasons the principals had made the request, even though the board members seemed to prefer that the principals be management.

Harold Ball spoke for the principals Tuesday night and indicated that after another meeting, and extensive debate, the principals had agreed to prefer the management designation.

Americans spent \$426 million for pickles last year.

'Postal People Week' Ceremonies Planned

The people who make the postal service tick are going to get a pat on the back in Lemon Grove.

Postmaster Nate Hale has announced two programs designed to let postal patrons know that postal personnel is made up of people who want to serve.

The programs will highlight Postal People Week April 30-May 5 and spotlight some of the people who serve the public.

As part of the program a public tour of the Lemon Grove facility will be conducted on Friday May 4 at 10 a.m. During the tour a film on growth and mechanization of the Postal Service will be shown. Those wanting to make the tour should show up a few minutes ahead of the scheduled time.

At 8 a.m. Monday a program will be held in the Post Office lobby in which Supervisor Dick Brown will appear. "Pride in Excellence" certificates will be given to the postal driver with the best driving record and to the clerk who has scored highest on efficiency tests conducted regularly at the Post Office.

Assisting in planning the program is a group of local citizens who have been commissioned by Hale as the Citizen's Committee for Postal Week.

Comprising the committee are Dr. James Kenaga, president of the Lemon Grove Rotary club; Dell Lake, president of the L.G. Chamber of Commerce; Louis Poluzzi, president of the L.G. Kiwanis club; James V. Dorman, president of the L.G. Lions club

Barbara Southard, president of the L. G. Soroptimist club; Mrs. Gladys Phares, president of the L.G. Woman's club, and Max Goodwin, the local newspaper editor.

New stamps are being issued marking Postal People Week and first day covers will be available. A limited number of cachets (printed envelopes) without stamps will be provided free while the supply lasts.

At 8:30 a.m., promptly, Postmaster Hale will halt the program to speed his corps of carriers on their way. This activity is strictly ceremonial since carriers otherwise leave from the mail sorting room.

Local service clubs have agreed to participate and members of each club are invited to participate in both programs.

The Post Office lobby will be decorated with banners and posters proclaiming the event. The Woman's club will supply cookies and punch following the formalities.

A supply of colorful maps of Lemon Grove will be provided to guests by the L.G. Chamber of Commerce. "Know Your Mail Service" pamphlets will be distributed and Hale will read a proclamation issued by E. T. Klassen, the Postmaster General, in which he reminds how vital is the postal service to every citizen and every business in the country.

An innovation will be mailing cards in the lobby in which patrons may make complaints or commendations. Hale said he will answer each card he receives.

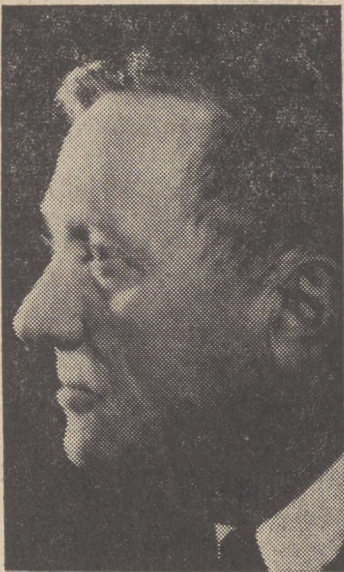

The Friday program will be completed shortly after 8:30 but Postal People Week will carry over courtesy, care and service for the years to come, Hale said.

Supreme Court Judge William O. Douglas In Law Day Program

The San Diego County Bar Association will mark Law Week, April 30-May 4, with a series of events focusing on the judge's role in the administration of justice.

Highlighting the week will be an address by Supreme Court Justice William O. Douglas and open houses at five county courthouses.

The observance is sponsored annually by the 1,700-member group in celebration of the institution of law, said attorney C. Hugh Friedman, Law Week chairman.

Supreme Court Justice William O. Douglas

Justice Douglas will speak April 30 at a noon luncheon in the International Room of El Cortez Hotel. The event is co-sponsored by the Mayor's Law Day Committee, the Commandant of the 11th Naval District and local judges.

On May 1, Law Day USA open houses will be held from 1:7 p.m. at the County Courthouse and the courthouse in El Cajon.

At the courthouses, judges, attorneys and officers of the court will reenact judicial proceedings for the public and then ask visitors to help judge the mock trials.

Other events scheduled for the week are a luncheon May 4 with speaker Sen. James R. Mills, an oratory contest for high school students and a naturalization ceremony.

Rattlesnake 'Season' Here

The arrival of spring has brought more than just wild flowers to bloom, warned county health officials last week.

Rattlesnakes are especially active in the spring, and campers and hikers should remember cautions while in the remote areas.

"Before hiking, ask your physician what method of first aid he recommends for a rattlesnake-bite victim," said Director of Public Health J. B. Askew. "Hike with a friend, step only where you can see, and don't put your hand in a crevice or under a rock."

Askew also advised hikers to be cautious when picking objects up off the ground unless the area is visually clear. Climbers should also stay alert, as snakes often sun themselves on high ledges.

"If you hear or see a rattlesnake," Askew warned, "don't make any quick movements, as they may frighten the snake and cause it to strike. Small or young snakes can be as deadly as adult snakes."

Strange Storm Drops .24 Of An Inch Here

An oddball storm visited, or rather passed through, the Lemon Grove and Spring Valley area last Friday afternoon, leaving behind .24 of an inch of rainfall.

The entire total fell in about 30 minutes. The storm was accompanied by gusty winds, but there were no reports of damage or power outages.

The total for the season is now 16.30, compared to 4.58 which had fallen by this time last year.

WAR DECLARED— County Agricultural Technician Aide Ronnie Hobgood sprays an ornamental citrus tree in North County to check the spread of the woolly white fly. The County is spearheading a fight to eradicate

the pest using a \$50,000 grant from the California-Arizona Citrus League. Trees south of an east-west line from La Jolla should be hosed with water, allowing an imported wasp to control the tree-killing fly.

Battle Lines Set; Woolly White Fly Under Attack

The demarcation lines are drawn. There is even a battle zone, and combat has started in San Diego County.

The enemy is the tiny woolly white fly, destroyer of ornamental and commercial citrus trees. Imported wasps are used to destroy them, but ants are the wasps' enemy. At stake in this "science-fiction like" war is nearly \$18,000,000 in San Diego County citrus crops.

The imported wasp, which feeds exclusively on the woolly white fly, is being established in the battle zone, the area south of La Jolla to the Mexican border. In this zone, home citrus growers and commercial ranchers are urged not to use insecticides, but to just hose off the trees with water and start an ant control program.

"Ants guard the nymphal stages of the woolly white fly to feed on the honeydew produced by flies; so the wasps are kept from their target," said Deputy County Agricultural Commissioner Ray Rinder. "Spraying will kill the wasp as well as the pest."

He said that some 80,000 wasps have been released on about 1,400 properties in the battle zone, because the pest "was spreading too rapidly and the cost to eradicate it with pesticides was too great."

Meanwhile, back on the battlefields of the Fallbrook and Carlsbad areas, the infested trees and groves have been surveyed and taken under fire by spray rigs from County forces arrayed against the pest. Spraying selectively only where infestations have been identified and using a low-toxicity, low persistence spray, they are fighting to hold back the spread of the fly until the wasp can take over, according to Rinder.

County crews and the cost of the rigs are being funded under a grant by the California-Arizona Citrus League at no cost to the County. Be-

cause the County doesn't own sufficient equipment to handle a job of this magnitude, Ventura County has supplied two men and a spray truck, while San Bernardino County has sent one spray truck recognizing the danger to their regions if the pest reaches there. San Diego's own Department of Parks and Recreation has lent the agriculture people an additional rig, too.

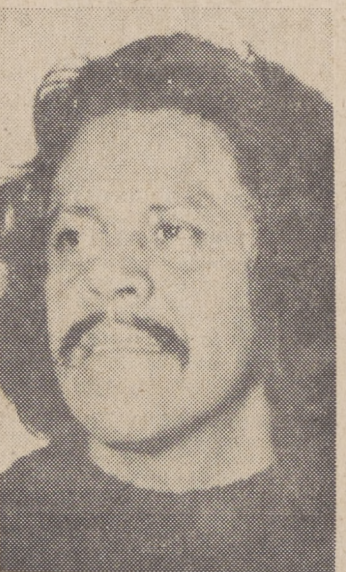

Rinder said that if the \$50,000 grant from the California-Arizona Citrus League is exhausted before the spread of the fly is checked, it is hoped that a grant of \$100,000 from the State Department of Food and Agriculture's emergency fund will allow the fight to continue.

He added that the Legislature may be asked to provide \$700,000 to insure complete conquest in the two areas north of the quarantine line before California's 300,000 acres of citrus become threatened.

Vinas Named To Post In Orange County

Juan De Leon Vinas, 39, of 3542 Bancroft dr., Spring Valley, has been named to the position of director of alcoholism services for the Orange County Community Action Council. He took over his duties Monday.

Vinas

For the past two years, Vinas has been a counselor of non-English speaking clients at the Alcoholism Counseling and Education Center in San Diego. He is also a founder and board member of Tradition One, a re-habilitation center for low income people.

The Spring Valley man is the father of three, Brenda, 16, Jon, 15, and Tina, 13.

biological pest control to be given every chance to work," Rinder said. "We are almost begging people south of an east-west line from La Jolla to not use pesticides on their citrus trees — just water to hose off the woolly-looking larva, the honeydew they produce, and the sooty mold which forms on the honeydew."

CHP Spotlight On Drinking-Drivers And Auto Thieves

Eighty per cent of the traffic deaths in the San Diego area earlier this year were caused by drinking drivers, the California Highway Patrol reported.

There were 10 deaths in January. Blood-alcohol tests indicated that eight were due to drinking. Seven drinking drivers lost their lives and one was charged with manslaughter.

During the same period CHP made 579 arrests for driving while under the influence of an alcoholic beverage.

While emphasis will continue to be placed on drinking drivers, CHP will add 41 officers to implement a tough new statewide effort against vehicle thefts. The additional personnel which will bring the vehicle theft personnel total to about 90, results from a federal grant of \$1,250,000 for a 16-month program which goes into tactical operation July 1.

CHP Commissioner Walter Pudinski said California, with the third highest per capita auto theft rate in the nation, suffers 140,000 thefts annually, and costs Californians \$100 million every year.

Pudinski said CHP, as coordinator of a program assisting local agencies, improving the flow of information, toughen up inter-jurisdictional enforcement and creating new anti-theft measures.

CHP enforcement, he said, largely focus on inspection of vehicles and parts including firms which dismantle or scrap vehicles in conjunction with Dept. of Motor Vehicles investigators. DMV will also strengthen licensing and titling procedures.

Pudinski identified "salvage switching, counterfeiting or alteration of title documents, and stripping as three most common tactics of the professional auto thief — the person who is committing this crime for profit. About one half of all thefts are the work of professionals."

Taxpayers aren't anxious to make that dollar political contribution in their income tax returns, according to IRS. The Service said only 2.6 per cent of the first 31 million returns earmarked a donation for the 1976 presidential race.
